

Quoting 101

**Your guide for everything to include
when sending in an RFQ**

- Quantity
- Finish Sizes (We will add appropriate allowance)
- Print (If applicable)
- Material Grade
- Material Specification
- Heat Treat
- Testing & Minimum Requirements Allowed
- Surface Finish (As forged, 500 ra, 250 rms etc.)
- Allowance Required (Machined to size, machined with allowance, forged with allowance to guarantee clean up)
- Dimensional Tolerance (If we are supplying "to size")
- Nondestructive Testing (UT, MT, PT)

**Please also include the following to help us
provide the best solutions for you:**

- Bid
- Deadlines
- One Time/Repeating Project (Lot sizes & EAU is helpful if repeatable)
- End Use of Product(s)/Industry
- If rush delivery is required, include when is order needed
